Dear Mississippi Pastor:

Request your direct involvement to meet Mississippi's Feb 3<sup>rd</sup> petition deadline, or please appoint a volunteer, to help collect signatures to legally define "person" to include unborn children in Mississippi. This one word, "person" is very feared by abortion-providers, and has real legal power to overturn Roe v. Wade, and save countless babies lives.

Attached are clear instructions, and three-pages of petition language for gathering signatures (which must be re-formatted onto **one** 8.5 x 14 legal paper, front and back). Original high quality clean copies of this whole petition can be downloaded at: <http://short.to/14czj> For more details call Les Riley at 662-760-8695 or visit [personhoodmississippi.com](http://personhoodmississippi.com).

Please bundle and postal mail all final signatures to Les Riley for processing TO **ARRIVE** NO LATER THAN 3 FEB 2010, to this address: PERSONHOOD MISSISSIPPI  
3095 Big Hill Rd.  
Pontotoc, MS 38863

I am available for speaking invitations. As the former Navy Chaplain who took a stand to defend the right to pray "in Jesus name," I believe defending the right to life is even more important, not only to God, but to America's future.

Mississippi's deadline is fast approaching, so I pray you'll help defend the babies today. Please help gather signatures!

God Bless you, In Jesus' name,

Chaplain Gordon James Klingenschmitt
